# Pre-Primary

# Outdoor Play

The playground came alive with giggles and joy as children ran, climbed, and played together to celebrate the start of the new Academic Year. From swings to slides, every moment was filled with excitement and adventure. A day of pure fun, friendship, and happy memories.

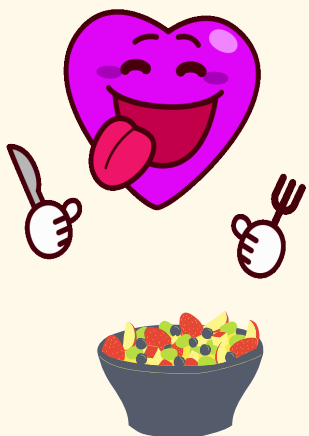

# Cooking Activity

The little chefs had a delightful time during the Tomato and Cucumber Sandwich Making Activity. They eagerly participated in spreading butter, arranging fresh cucumber and tomato slices and assembling their own sandwiches. This hands-on experience not only enhanced fine motor skills but also encouraged healthy eating habits. It was a fun-filled session where creativity and learning blended deliciously.

# Structured Play

The day was filled with lively activities like passing a ball, weaving around cones and jumping through hula hoops. Students enjoyed the day with plenty of laughter and energetic participation. These games encouraged cooperation, listening skills and active movement—making it a joyful and engaging experience for all.

# Nature Walk

The outdoor exploration provided a wonderful opportunity to connect with the natural world. Through careful observation, children gained a deeper appreciation for the beauty of plants and their surroundings.

# PATTERNING

We loved creating beautiful patterns with stems, leaves, pebbles, and flowers. It was exciting to explore different shapes and colours while making our designs. special. We learnt to observe, think creatively, and use nature to make something special.

# SCOOPING SAND

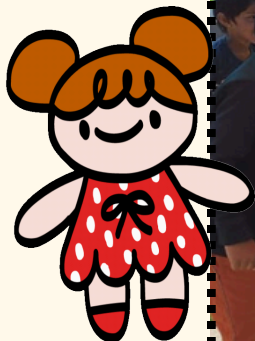

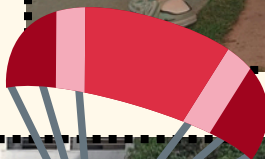

Children had a wonderful sensory experience with scooping sand activity. Using shovels, cups and hands, they enthusiastically scooped, poured and explored the texture of sand. They discovered concepts like full/empty and heavy/light while building sandcastles and creating imaginative shapes. This hands-on play helped them develop fine motor skills, encouraged teamwork, and sparked creativity - all while having loads of fun.

# Parachute Play

The colourful parachute created waves of excitement as everyone worked together to lift, shake and move it in unison. Laughter filled the air as the parachute billowed like the ocean and formed a giant canopy. This cooperative activity strengthened coordination, teamwork, and joyful connection between kids—a wonderful way to play and bond together.

# Yoga Time

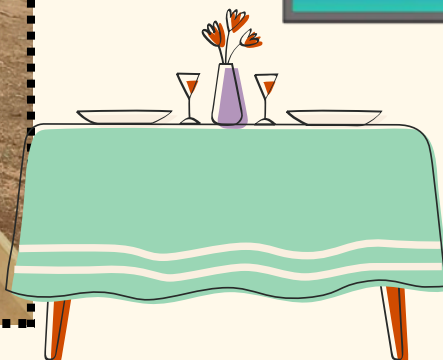

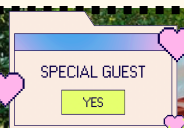

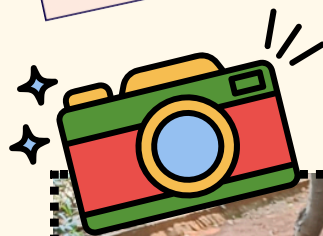

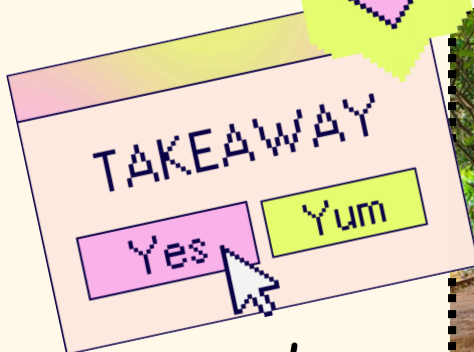

The little yogis had a blissful time discovering the joy of movement in their first yoga session. With each stretch and deep breath, children learnt to connect with their bodies while building focus and confidence.

# Role Play- Open Air Restaurant

The little chefs and servers had a delightful time engaging in a Role Play – Open-Air Restaurant activity. Pretending as chefs, waiters, and customers, the children enthusiastically took on different roles, serving delicious "Cucumber Sandwich" with great excitement. They practiced ordering, serving, and even counting play money. This fun-filled activity not only sparked their creativity but also enhanced their social skills, communication, and teamwork. It was a joyful experience that truly brought learning to life.

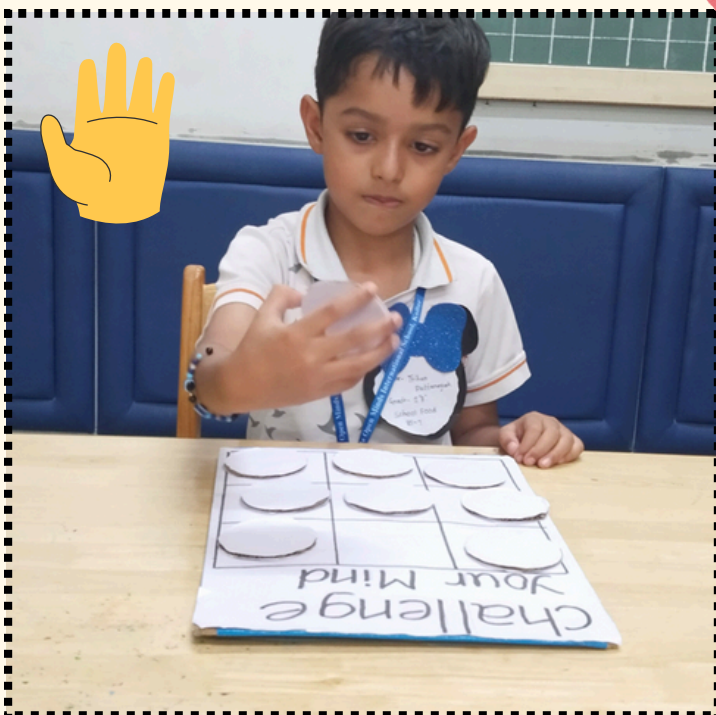

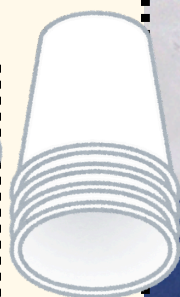

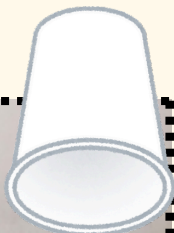

Grade

Your Mind

The young Mathematicians tackled the "Challenge Your Mind" number sequencing activity with enthusiasm. This engaging exercise strengthened their numerical skills, logical thinking and attention to detail.

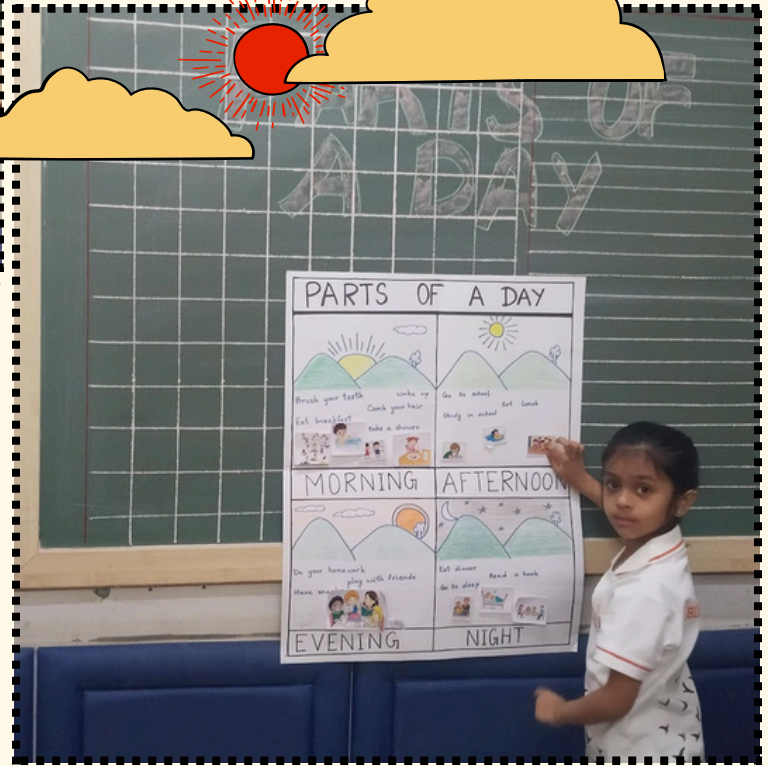

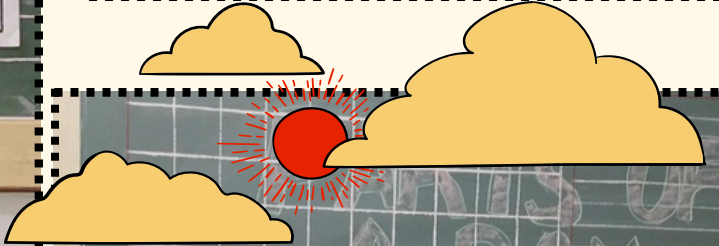

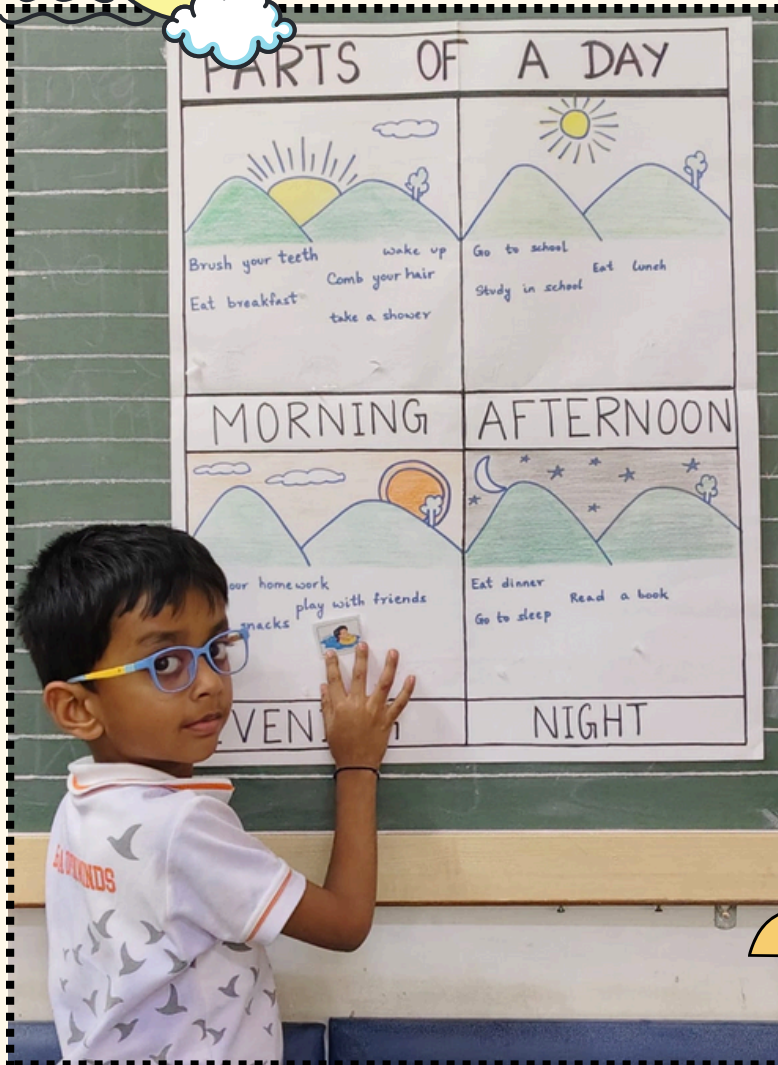

# Parts of a Day

Students took part in a fun and interactive matching activity to learn about different parts of the day. Through real-life examples, students made meaningful connections to their daily routines.

# Sand Tracing

Students traced letters on sand, they refined fine motor skills and built muscle memory, transforming learning into a delightful, hands-on experience. With each movement, their confidence soared, turning writing into a joyful adventure filled with curiosity and creativity.

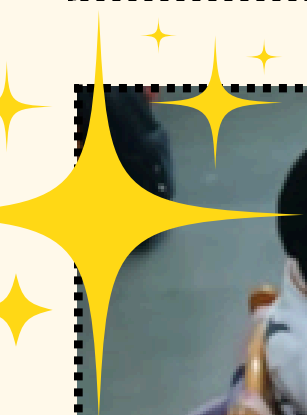

# Aao Swar Seekhein

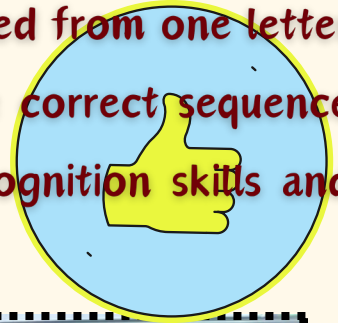

Students identified and practiced Hindi vowels, laying the foundation for language skills. This interactive, hands-on activity sparked curiosity and enthusiasm for learning Hindi, making their early language journey both engaging and joyful.

# అక్షరాల హాప్: జంపింగ్ థ్రూ తెలుగు అక్షరాలు

Filled with excitement, students participated in a fun and engaging letter recognition activity using the Caterpillar Drawing. As they hopped from one letter to another, they carefully identified and arranged them in the correct sequence from "అ" to "ఱ". This activity strengthened their letter recognition skills and made learning a joyful and energetic process.

Grade

2

# Treasure Hunt - Living and Non-living things

The treasure Hunt activity gave the students an opportunity to find the hidden objects. With teamwork and critical thinking, they debated clues like "Does it grow?" or "Can it move?" and segregated them as living or non-living.

## Assembly - "World Water Day"

## Every Drop Counts

A powerful message on 'World Water Day' was presented by our children through a thought-provoking skit, reminding everyone that "Every drop counts!" Their lively dance performance added joy and energy, spreading awareness about water conservation. This assembly inspired everyone to take action and cherish this precious resource.

# Number Match-Up-Activity - Learning Number Names

In this fun and interactive activity, students worked together to find their matching pair by connecting numbers with their number names. It was a great way to build confidence in number recognition and spelling through visual learning.

18

# PRONOUN PIZZA

Students created colourful pizzas featuring flip circles labelled with pronouns such as he, she, it and they. Beneath each circle, they added thoughtful nouns, showcasing their understanding of pronoun usage in a fun and creative way.

# Magic Connectors

The magic of conjunctions was uncovered as students explored how small yet powerful words like 'and,' 'because,' 'or,' and 'but' can weave sentences together and enrich communication. Through an innovative paper strip sentence challenge, they discovered the vital role these connectors play in creating meaningful sentences.

# Common Events

# First Day Of school

The first day of school was filled with excitement as new friendships began to blossom. Laughter and cheerful energy filled the air while children enjoyed playtime and posed at the Mickey and Minnie-themed photo booth, creating sweet memories. It was a wonderful start to a year full of learning, discovery, and fun together.

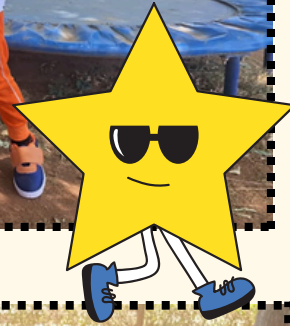

# World Happiness Day

The little bundles of joy celebrated the International Day of Happiness with bright smiles and laughter. Through fun outdoor activities and heartwarming moments, they discovered that happiness grew when shared. Focusing on joy, empowered them to express themselves, creating a safe and supportive environment filled with **HAPPINESS** love and togetherness!

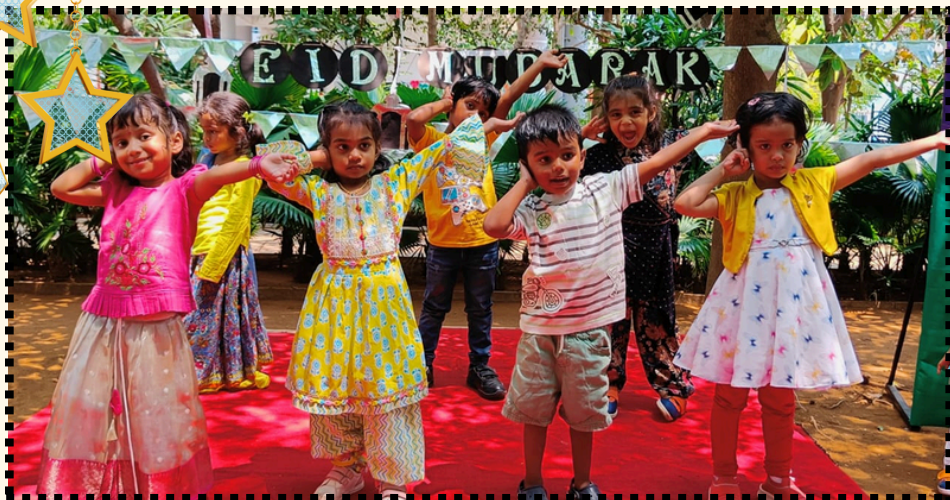

# EID CELEBRATIONS

Students celebrated Eid with joy and togetherness! They danced, sang festive melodies, and enjoyed the delicious Sewiyan, symbolizing love and warmth. Through music, movement, and shared treats, they embraced the spirit of Eid, fostering unity and creating cherished memories.
